Are you interested in becoming a Professional Cook?

JOB DESCRIPTION

A Cook is a person who performs all phases of kitchen activities. These include the preparation and presentation of vegetables, soups, sauces, meat, fish, poultry, desserts, baked goods and pastries. In addition, a cook needs an understanding of basic menu planning/costing as well as knowledge of safety, sanitation, food storage and customer service. A Professional Cook 1 usually works in a supervised environment and performs basic cooking and food preparation tasks utilizing knife skills, correct terminology, and a variety of cooking methods. They must be able to follow recipes, weigh and measure food accurately, and have an understanding of the major techniques and principles used in cooking, baking, and other aspects of food preparation. At this level, a professional cook should have a solid foundation of culinary skills.
