NURSING PREP PROGRAM

A partnership between

**Kwantlen Polytechnic
University**

And

Career Education Department

Are you interested in a career in Nursing?

JOB DESCRIPTION

Registered Nurses provide and coordinate patient care, educate patients and the public about various health conditions, and provide advice and emotional support to patients.

They must function collaboratively as members of an inter-disciplinary health care team. Nurses work as partners with clients, other health care providers and community resources to provide equitable, individualized, and contextualized health for all.

CONNECT TO POST SECONDARY

Through the Nursing Prep Program you have the potential to earn both high school and post-secondary credits.

COURSE CREDITS

- **PSYC 1100**
- **ENGL 1100**
- **BIOL 1160**
- **BIOL 1260**

PROGRAM LENGTH

- February to June

COSTS (Paid by the Student)

- Approximately \$300 for textbooks/lab fees

PROGRAM DESCRIPTION

Throughout the duration of the program, students will encounter a variety of educational settings which will assist students to develop sensitivity to people's experiences with health and healing.

KPU's nursing programs are governed and accredited by The British Columbia College of Nurses and Nurse Midwives (BCCNM) which is the regulatory body for registered nurses and registered psychiatric nurses in this province.

Services provided through funding arrangements with the Surrey School District Career Education Department.
